

## FOREVER I'LL BE THERE

You are so beautiful  
You are so wonderful  
that I love the way you make feel everyday  
and I like the way you look at me today

You are so magical  
you are the apple of my eyes  
that I want you to be a part of my mistakes  
and I'd love to be a part of your heart aches

Will you always be my heaven and my only loving friend?  
I wonder if we'll stay together till the time comes to an end  
Will you wait for me forever? 'cause forever I'll be there

You are so marvellous  
so different to all the girls I met before  
that I wish to be forever in your arms  
and I long to be the partner of your life

Will you always be my heaven and my only loving friend?  
I wonder if we'll stay together till the time comes to an end  
Will you wait for me forever? 'cause forever I'll be there  
I'll be there  
I'll be there  
i'll be there  
I'll be there..... / I'll be there

That I love the way you make feel everyday  
and I like the way you look at me today

Will you always be my heaven and my only loving friend?  
I wonder if we'll stay together till the time comes to an end  
Will you wait for me forever? 'cause forever I'll be there  
I'll be there  
I'll be there  
i'll be there  
I'll be there..... / I'll be there
