

IRRESISTIBLE DISGUISE

So irresistible disguise
a perfect skin beneath the mask
I touch your hair, i touch your lips
but i can't feel the way you feel

I keep on waiting at the phone - but you are not satisfied
I keep on waiting at your door
please let me be your dog

Girl, of a thousand faces
Girl, you are driving me crazy

So unbelievable smile
a knife that tears my skin apart
let's walk together to the edge
where none ever has returned

I keep on waiting at the phone - but you are not satisfied
I keep on waiting at your door
please let me be your dog

Girl of a thousand faces
Girl, you are driving me crazy

Girl, of a thousand faces
Girl, you are driving me crazy

Let me be your dog
girl of a thousand faces
of a thousand faces
of a thousand faces
of a thousand faces
