

LOVE IN SUMMER

Sweet loneliness and happy endings
Don't get me wrong I'm not afraid
But now it's my time I have to go

I pack my bags
I take my coat
Dreaming in the springtime
Dying in the fall

Leave it up till the end of the summer
I don't wanna play all the roles in your drama
Nothing seems to last forever
You and I can't be together

Long is the road and cold the weather
Don't get me wrong
I'm brave enough
But now it's the time I have to go

I switch off the lights
I close the door
I leave a note unwritten
My glasses on the floor

Leave it up till the end of the summer
I don't wanna play all the roles in your drama
Nothing seems to last forever
You and I can't be together

Leave it up till the end of the summer
I don't wanna play all the roles in your drama
Leave it up, leave it up
Leave it up, leave it up
Nothing seems to last forever
You and I can't be together
