

WASTED TIME

Is this the life we chose to live?
Is this the land we chose to kill? (I don't know)
There're no rules, I have no faith
People starving, people dead (you don't care)
Human bombs are on the streets
Suicide planes and soldier kids
TV shows

Wasted time
I have no answers
For the questions that you ask
Wasted time
Too many villains
Superheroes please save the world
Wasted time
Wasted time

Twentieth century is gone
Ghandi, Einstein, two world wars (Lennon shot)
Green is turning into grey
The oil is running through my veins (modern times)
Nothing seems that we have learned
We always make the same mistakes
Human beings

Wasted Time
I have no answers
For the questions that you ask
Wasted time
Too many villains
Superheroes please save the world
Wasted time
Wasted time
And now it's time to run
Don't hesitate
And now it's time to fight
Just move ahead, stand up take your gun

Don't waste your time
